

# PARENTS FEEDBACK

Thank you for all your help and patience with boys over the years.

Big Thank You for involving my son so much in your project. He loves it !

He Talks about it all the time.

It's great to see you have so much time and trust for him.

Thank you

I wanted to let you know about the scheme that my older son has been going to for several years.

Its run by a lovely lady called Jennie, who gives the kids some great football advice as well as providing them an opportunity to kick a ball around together for an hour on the common in Prestwood. Connect 4 is a community organisation and does a lot more besides football.

I was pleased to hear how Connect 4 is going from strength to strength.

Congratulations on an excellent AGM and a successful year for C4CYP.

Credit to C4CYP in undertaking significant work and dedication to making this all possible.

I was delighted to see all the good work being done and wanted to congratulate C4CYP on giving such a positive picture and hearing the young peoples perspective on it, despite all the challenges you had to face. Well done.

C4CYP have put lots of time and energy to enable children and young people to engage in positive activities and we fully support these projects and keen to see it progress.
